Some information about my teacher:

- I have been a teacher in Cross Arthurlie Primary School for 15 years!
- My favourite subject to teach is Social Studies. I love history and learning about the past.
- I have worked in lots of different stages of the school, but I really enjoy working in Primary 3.
- I have two children, Christopher and James. Christopher is going into Primary 3 and James is starting Primary 1.
- When I am not in school I like to meet my friends and go shopping. I also enjoy going to the park with my two sons.

My favourite subjects to teach are PE and science.

My favourite colour is blue (just like the background on this page).

I love to go kayaking and I love to travel to new places.

This will be your new classroom. You will be in room 7.

The classroom is lovely and bright.

Your classroom will be
downstairs in room 7.

The desks and chairs may be set out differently when you come in August. I am sure that after the holidays we can start to fill the walls with all of your beautiful work to make our classroom look great!

Things about school that will be different when you come back:

- Desks will be set out with spaces in between, so you are a safe distance from each other.
- You will have your own bag with equipment such as pencil, rubber, sharpener, glue stick, scissors, whiteboard and pen. This will be kept in school and will belong to you.
- You will be asked to wash your hands every time you come into the classroom and leave the classroom.

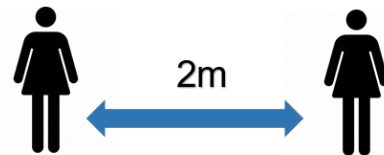

Things about school that will be different when you come back:

- Every year group will have a different area of the playground.
- You will have your packed lunch in the playground or in the classroom if it is wet.
- Playtime and lunchtime will be at different times, so there are not too many children in the playground at the same time.
- There will be a limit to the number of children in the toilets. This is so you are not too close together.

Signs you will see around the school:

No more than
2 people to use these
toilets

Things about school that will be the same when you come back:

- You will see and talk with your friends.
- You will get to know your teacher and your teacher will get to know you.
- You will go outside at playtime and lunchtime.
- You will have jotters to do your work in.
- You will learn and have fun!
