Being at home

This week I found it harder to keep working at home, I was fed up and became a bit grumpy. I wanted to be back in school and was missing the way things used to be. But I know that it is the right thing for me to stay at home and stay safe, this is how I got through my grumpiness....

- ✓ I took a break and went outside for fresh air
- ✓ I looked at the sky and the trees and listened to hear the birds singing
- ✓ I thought about people who are living with things that are even harder than me and reminded myself to be thankful for what I have
- ✓ I had a video chat and coffee with Mrs Webster, Mrs Campbell and Miss Rice

Being at home

Perhaps you are fed up being at home too. Maybe the grown ups who are with you are fed up.

- Be kind to your grown ups
- If you are asked to do something.... Remember to do it it will really help your family
- Try to do some things on your own without always having to ask a grown up for help ... YOU CAN DO IT 😊
- Draw, write a story or read a book
- Sit and day dream for a while.... It's really good for you

Levern

- One of the (many) things I miss about not being in school is every Wednesday we share the House Points.
- Last week, on Thursday evening the staff held an online Quiz. Mrs Burnett organised it and the winning team were 'The Quarantine Queens'
- The points were as follows:
 - Craigie- 3
 - Levern- 2
 - Glennifer -1
 - Shanks -0
- We have another competition for staff tomorrow during the inservice day.... I wonder who will win this time ??

'House' competition

- It's been so good to hear about all the things you are growing. And to see your pictures.
- I was sent a couple of pictures of gardening successes and both of the children were in Levern

‘House’ competition

- Here are the sunflowers I planted two weeks ago. As you can see some are doing really well and some have still to germinate.

This week’s points

- Criagie - 1 point
- Glennifer - 4 points
- Levern - 3 points
- Shanks- 2 points

This may change when I plant the seedlings
