Virtual Sports Day

Sports' Day in the Hub

Some children are coming to the Hub school. Mrs Powell and Mrs Gauld organised a mini Sports' Day for them too.

In-Service Day

This in-service day was different as the staff, just like the boys and girls, are in their own homes. Just like you it is not good for staff to spend all day in front of their computers so we spent some time reading. We all read the same things (which your grown ups may like to read) Two are websites and one is a small book.

- <https://www.evidenceforlearning.net/recoverycurriculum/>
- <https://postcardsfromscotland.co.uk/postcards-blog/f/hope-in-a-time-of-covid-19>
- ‘Our Iceberg is Melting’ by John Kotter

All of this will help us think about how we can make sure we focus on the things that matter when we come back to school

In-Service Day

We also had some fun. We had a 'Lockdown Show and Tell' Everyone brought along a special object or made a video to share with everyone about what is helping them make it through the lockdown. Staff have spent time with family, taken up new hobbies and some are having the chance to practice things they enjoy doing.

At the end everyone gave each other marks out of five in secret and I worked out the average for each house

Staff House Points

- These scores translated into House Points

- **Bonus points** were awarded to Mrs Powell(G) for spotting Mrs MacDonald's mistake and to Mrs Campbell (L), Mrs Carr (S) and Mrs McArthur(S) for all finishing in joint first place.
- These points will be added to the overall House Points for this week.

#XAcourhunt

Thanks so much to everyone who has joined in with the colour hunt to create our Cross Arthurlie **Rainbow**.

We can still we hunt for our Cross Arthurlie colour of the week.

Thanks to everyone who has put their ribbons up on the school gates they look amazing !

My Show and Tell and XAColourhunt

This is my window ledge in my kitchen. I have lots of green things on it that remind me of Cross Arthurlie. I have a plant I was given as a gift from a parent, one from a member of staff, the sunflowers for houses, my egg experiment with P2&3 and some lavender which reminds me of the calming oil from our Kitbags.

#XAcolourhunt

- Remember to count the items and you (or a grown up) could take pictures and post them on your Google Classroom or the school Twitter page @crossarthurlie using the hashtag #XAcolourhunt
- Today until next Wednesday is week 4 and the colour of the week is **green**

Happy hunting

Singing

Fischy Music who write many of the songs we sing at assembly have created their own weekly assemblies which go out on Youtube. If you follow this link you can see the next one.

Many of you said you said you liked it so I've included it again this week.
