School News ...for now

- ▶ We know it's hard still keeping on with work but please keep going with your work on Google Classrooms
- ▶ If you have any problems please email me:
schoolmail@crossarthurle.e-Renfrew.sch.uk
- ▶ We are now in June and there are only another two more assemblies before the end of term.
- ▶ We will be sharing your reports with your parents today, tomorrow and on Friday of this week.

School News.. This week

- ▶ The children whose parents are Key Workers are now in Cross Arthurlie.
- ▶ This is very different as they are not in their usual classes, and they are doing the same work as you on their Google Classrooms
- ▶ We need to make sure that as few people as possible come close to each other or touch the same things as we know this is how the virus can spread.
- ▶ The school has some new signs and when everyone comes in in the morning the first thing they must do is wash their hands, soap and water is best but hand sanitiser is also available.

School News... planning for August

- ▶ When we come back school will have some things that are different and some that are the same.
- ▶ Miss Galloway has been working to make some videos which will be shared on your Google Classroom to let you know what it looks like.
- ▶ As we need to keep numbers down only half a class of children will be in at a time.
- ▶ We are making sure that families are all in at the same time and need to work with nurseries too on this.... It's very complicated and I'm using lots of my maths skills !

Comings and Goings

- ▶ We are talking to nursery staff about visits to school for the new children. We have also made a video for them to take a virtual tour.
- ▶ The children who are new to Cross Arthurlie will be coming in for a morning visit, again in small numbers, on the last week of term. We look forward to welcoming them.
- ▶ **Primary 7** children have been invited back for one morning next week and an afternoon the following. Only 10 children from each class can come in at a time and not all will be able to make it. This means that this year's Primary 7 will not have some of the celebrations other years have had. But we all need to make sure that we all stay safe, protect one another and stop the virus from spreading.

Staff Quiz

- ▶ Last Thursday evening we had another staff quiz, this time organised by Mrs McMillian. Some people couldn't make it which was sad *(but not really too sad for me as I ended up in another team with Mrs McWilliams and Mrs Burnett we came 3rd after the 'Quarantine Queens' and 'Gonnae No Dae That' who were joint first... when I was in a team with Miss Rice and Miss Galloway we were always near the bottom of the scores)*
- ▶ One of the fun parts of the quiz was the Mrs McMillan had asked P3/2 to set some of the questions. They were the most difficult ones !!
- ▶ Why don't you have a go at them

Staff Quiz

Here are the links to the P3/2 questions on Twitter
