Hello, I might have met you at your nursery! At the end of June you will finish nursery for the summer holidays. The summer holidays are 7 weeks long, you will have a great time on your holidays.

In August, you will start school. You will go to Hillview Primary School and I will be there to welcome you. You will have lots of fun at school.

School starts in August and we just wanted to say,  
We are excited to welcome you on your first school day.

So please don't worry, we'll have lots of fun,  
You can play and make friends with everyone.

You may feel uncertain or a little unsure,  
But we will be there to support you and give you a school tour.

Together, we'll enjoy what each new day brings.

We will learn, dance, play and sing!

We can't wait to see you in August.

# Take a look at the P1 classrooms

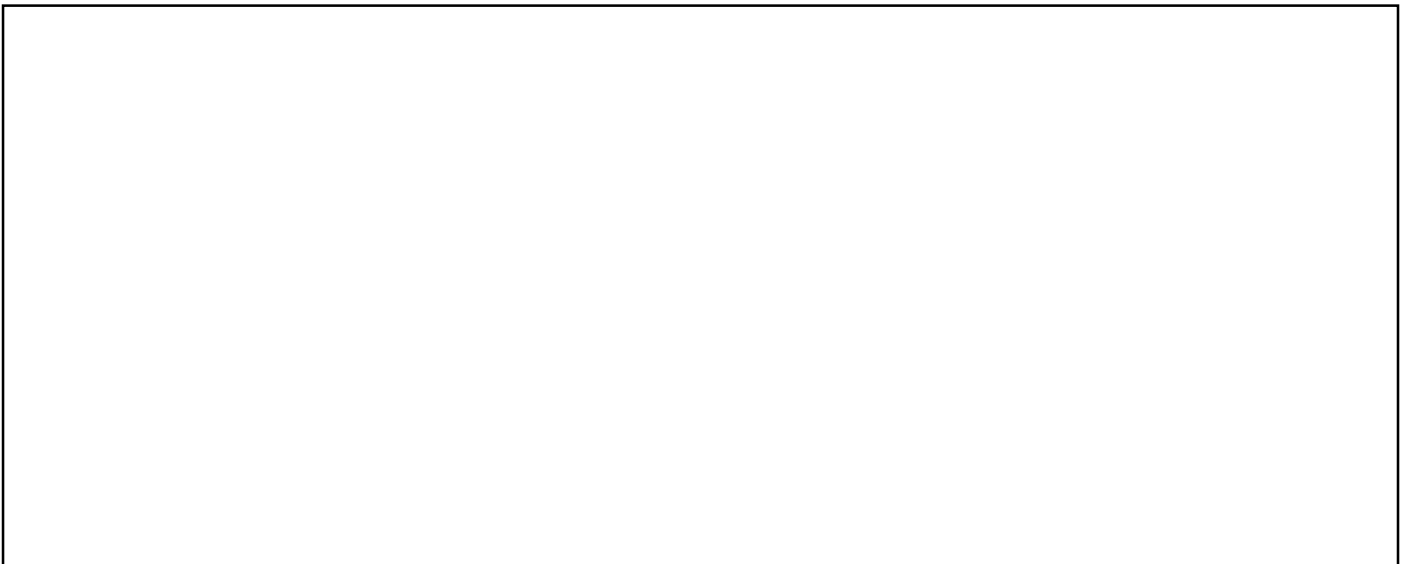

In your classroom you will have your own peg to hang your jacket and bag on. It might look a little bit different in August and that is ok.

# My classroom will have:

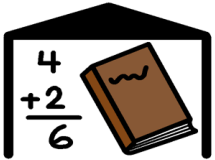

- A library.
- A writing area.
- A construction area.
- An art area.
- A small world area that will have dinosaurs, animals and people.
- A maths area.
- A role play area with puppets and dress up.

Where did you like to play in nursery? Can you draw it below?
