## Arabian Nights

Salaam and good evening to you worthy friends. Welcome to the fabled city of Agrabah!

City of flying carpets soaring heroes famous love ballads.

More glitz and glamour, than any other fictional city in the world.

Oh I come from a land from a faraway place where the caravan camels roam,

Where it's flat and immense and the heat is intense.

It's barbaric, but hey, it's home.

When the wind's from the east,

and the sun's from the west,

and the sand in the glass is right.

Come on down, stop on by, hop a carpet and fly

to another Arabian night!

And of course, you know what Arabah's famous for? This Magical lamp

Don't be fooled by its appearance. Like so many things, it is not what's on the outside, but what's on the inside that counts.

Wow, got a little deep there down for a second .

This lamp put Agrabah on the map You've never been?

Well... WE CAN FIX THAT!

Follow me to a place, Where incredible feats are routine every hour or so.

Where enchantment runs rampant It's wild in the streets. Open Sesame, here we go.

(See the dervishes dance In ridiculous pants.)

(Then romance to your heart's delight.)

Come on down Come on, in. Let the magic begin, It's another Arabian Night

Arabian Nights...Like Arabian Days... More often than not Are hotter than hot! In a lot of good ways. Arabian Nights...'Neath Arabian moons... A fool off his guard Could fall and fall hard Out there on the dunes.

In that magical place in that mystical land There's a Genie in every door  
He'll do all your bidding Your wish, his command.  
It's demeaning, but hey there you are.

Unbelievable, yes , An unethical mess Nonetheless, no one's very contrived  
Do come here anew, Come to a land where any mountain can move  
A land of high and treat with tricky logistics  
Like prophets and Mystics, And I've got statistics to prove!

Arabian Nights  
Yees!!-haW!  
Arabian Nights

\*\*Interlude\*\*

Agrabah! Come for the hummus stay for the fore-show  
Even the poor people look fabulous!  
And everyone here has a minor in dance. And now, for the softer side of Agrabah...

\*\*Interlude\*\*

Arabian Nights...  
Arabian Nights!  
And of course, you must watch your step here in Agrabah. For danger lurks around every corner and ugly bad  
guys too!  
Arabian Nights!  
It's a city where a pitiless nobody can turn out to be... A noble somebody.  
Arabian Nights!

It's a place were a princess would give up her crown for true love, but her father, the Sultan, is a stickler for the Ancient ways.

And our hero's pals are as thick as thieves. 'Adorable'...But thieves

Oh! and did we mention... Everybody SINGS!

Arabian Nights Like Arabian Days More often than not Are hotter than hot! In a lot of good ways!

Arabian Nights 'Neath Arabian moons A fool off his guard Could fall and fall hard Out there on the dunes.

Arabian Nights... To Fade x3

# One Jump Ahead

Gotta keep one jump ahead of the breadline,  
one swing ahead of the sword.  
I steal only what I can't afford.  
But that's everything!

One jump ahead of the law men.  
That's all, and that's no joke.  
These guys don't appreciate we're broke.  
*Riff-Raff! Street rat! Scoundrel! Take that!*

Just a little snack guys.  
Rip him open, take it back, guys.  
I can take a hint, gotta face the facts.  
I could use a friend or two!

True!  
Oh, it's sad Aladdin's hit the bottom.  
He's become a one-man rise in crime.  
I'd blame parents  
'cept he hasn't got 'em.

Gotta eat to live,  
gotta steal to eat.  
Tell you all about it when I got the time!

# One Jump Ahead

One jump ahead of the hit men.

One hit ahead of the flock.

I think I'll take a stroll around the block.

*Stop thief! Vandal! Outrage! Scandal!*

Let's not be too hasty.

Still, I think he's rather tasty!

Gotta eat to live,

gotta steal to eat.

Otherwise we'd get along.

*Wrong!*

One jump ahead of the hoof beats.

*Vandal!*

One hop ahead of the hump.

*Street rat!*

One trick ahead of disaster.

*Scoundrel!*

They're quick,

but I'm much faster!

*Take that!*

Here goes, better throw my hand in,

wish me happy land in.

All I gotta do is jump!

# These Palace Walls

Told to show devotion every day,  
and not second guess it.  
If a new emotion comes my way,  
you suppress it.

What would be your suggestion?  
Stand on your own two feet.  
And ask why a certain question keeps repeating.

Why shouldn't I fly so far from here?  
I know the girl I might become here.  
Follow your heart or you might end up cold and callous.

Love comes to those who go find it.  
If you've a dream, then stand behind it.  
Maybe there's more beyond these palace walls.

What if I dare? What if I tried? Am I prepared for what's outside?  
Why shouldn't I fly so far from here?  
Something awaits beyond these palace walls.

Ah! \_\_\_\_\_ Ah! \_\_\_\_\_  
Something waits beyond these palace walls!  
Something waits beyond these palace walls!

## FORGET ABOUT LOVE LYRICS

[Iago:] Forget about that guy  
Forget about the way you fell into his eyes  
Forget about his charms  
Forget about the way he held you in his arms  
Walking on air's obnoxious  
The thrill, The chill  
Will make you nauseous!  
And you'll never get enough  
Just forget about love!

Forget about romance  
Forget about the way your heart begins to dance  
Then you feel the blush  
When he's spouting out some sentimental mush  
Love really is revolting!  
It's even worse than when you're moulting  
Enough of this fluff!  
Just forget about love!

[Jasmine:] I had almost forgotten the way it felt  
When he held out his hand for mine  
My heart all a-flutter [Iago:] Oh, how I shudder  
[Jasmine:] The first time we kissed [Iago:] It won't be missed!

Iago - Forget about his touch [Jasmine:] I can't forget about his touch  
[Iago:] In the scheme of things,  
It doesn't matter much (Jasmine:) It matters so mu-uch  
[Iago:] You're better on your own. A meal becomes a banquet  
When you eat alone  
[Jasmine:] Hmm-mm-mm-mm

[Both:] Love's filled with compromises  
[Iago:] And don't you hate those big surprises?  
[Jasmine:] A cozy rendezvous  
[Iago:] Oh, please!  
[Jasmine:] Candlelight for two  
[Iago:] Oh, geez!  
[Jasmine:] Look you're calling my bluff!  
[Both:] (I can't) (Just) forget about love!

Then come and meet his spectacular coterie.

Prince Ali Mighty is he! Aliababwa.

Strong as ten regular men! Definitely!

He faced the galloping hoards, a hundred bad guys with swords.

Who sent the goons to their lords?

Prince, Prince Ali!

And to view them, he charges no fee!

# A Whole New World

I can show you the world,  
Shining shimmering, splendid.  
Tell me, Princess, now when did you last let your heart decide?  
I can open your eyes, take you wonder by wonder.  
Over sideways and under on a magic carpet ride.

A whole new world, a new fantastic point of view.  
No one to tell us no, or where to go, or say we're only dreaming.

A whole new world,  
A dazzling place I never knew.  
But when I'm way up here, it's crystal clear that now I'm in a whole new world with you.

Unbelievable sights, indescribable feeling,  
soaring, tumbling, freewheeling though an endless diamond sky.

A whole new world,  
*Don't you dare close your eyes.*  
a hundred thousand things to see.  
*Hold your breath it gets better.*

I'm like a shooting star. I've come so far.  
I can't go back to where I used to be.

Every turn a surprise. Every moment red letter.  
I'll chase them anywhere, there's time to spare.  
Let me share this whole new world with you.  
A whole new world. That's where we'll be.  
A thrilling chase. A wondrous place for you and me.

# High Adventure

These tests of brawn I do not master.

But you think faster, fear be gone!

In wasting time we court disaster.

Muster your courage and come on!

Fate blows her kiss, chills your heart, takes your hand.

Fate feels like this, play your part, this was planned.

And lo, before you know, you grab your horse you grab your gear.

Your moment's, now, your moment's here!

It's time for high, high, high adventure!

You're off and riding, saber flashing!

Your banner high, your molars gnashing.

You feel so dashing on a high, high, high adventure!

Get set to give some guy a thrashing, cause high adventure's in the air.

There's high adventure in the air, guys.

Someone's out there, guys, someone bad.

Fate blows her kiss, winks her eye, plots her scheme.

Plots it for Babkak, Omar and Kassim.

And so, we three will go, until it's through, until it ends.

Here comes Aladdin's only friends off on a high, high, high adventure.

To confrontations so exciting.

They're playing music while we're fighting.

Scratching and biting on a high, high, high adventure!

Feel that adrenaline igniting, cause high adventure's in the air!

High, high, high adventure!

There's no ignoring or denying the kind of thrills that it's supplying.

And the effect's electrifying.

When high adventure's in the air!

## Prince Ali (Reprise)

Prince Ali, yes is he but not as you know him.

Read my lips and come to grips with reality.

Yes, meet a blast from your past,

whose lies were too good to land.

Say hello to your precious Prince Ali!

So Ali turns out to be merely Aladdin?

Just a con, need I go on? Take it from me.

His personality flaws give me adequate cause

to send him packing on a one way trip.

So his prospects take a terminal dip.

His assets frozen,

the venue chosen.

It's the end of the road

Whoopee!

So long, ex-Prince Ali!
