For this game, you must nominate someone to leave the room and quickly change one thing about their appearance. This might be switching their shoes to the wrong feet, taking off their watch, or tucking their T-shirt in. The more subtle, the better!! When that person returns everyone else must guess the change. The person who guesses correctly goes next.</p> <p data-bbox="622 1120 2101 1270">Activity - research a famous actor/actress and recreate a scene from one of their movies. It might be a film you recently watched or you can take recommendations from family. Use techniques that we have covered in class e.g. mime, freeze frames etc. You may want to include family in the scene as additional characters. You can voice record or video your scene and upload this to Seesaw, we would love to see it!</p>
