Match the fractions, decimals and percentages to their equivalent amounts. Start from level 3. Challenge yourself at level 5 by including improper fractions and removing the diagrams. • Activity – Complete all four problems on the Daily Rigour. • Game - http://www.maths-starters.co.uk/percentage_prices.html. Use the “Settings” tab on the left-hand side to select your difficulty level and choose prices for the three creatures. Fill in the table to calculate the percentage of each amount. Once you’re finished, click “mark answers” at the side and self-assess your work. • Activity – create your own set of matching cards for percentages, decimals and fractions. For examples cards reading 0.5, 50% and ½ will match. Play the game with someone in your family.
