Reflect and Respond

(Chapters – The Bleeding Scream)

1. August would be upset about two aspects of what the second mummy said. What are they?
2. Why do think August leaves the classroom at this point?
3. Why might it be ironic that August is proud to walk around in a scary 'freak mask'?
4. "Those who wear masks often tell us more truths than those with open faces." How is this true for August?
5. August is listening to the conversation throughout. At the point where Julian asks, "then why do you hang out with him so much?" how do you think August's emotions would change?

Wonder Song by Natalie Merchant

Find the lyrics and watch the video of Wonder by Natalie Merchant. For each verse, write a commentary, giving your thoughts, opinions and interpretations of the words. The first verse is done for you as an example below:

Verse 1 Doctors have come from distant cities...

Commentary I think that the woman's medical condition is so serious and unusual that specialists have had to travel from far away to help her. They can't believe she can live like she does with the disabilities she has. It's quite shocking because you put your trust in doctors but they're standing there disbelieving what they see. It would make me feel hopeless if I were their patient.

You can lay this out in a table format or a format of your

Speech and Action

Make a list of synonyms for 'said'. Put these into sentences.

Speech action is where **action** is included in the sentence with the speech.

"Hold onto me, honey," said mum, putting one hand on my arm and her arm under mine.

Write a short scene where a young child has injured themselves in the playground and you and friend go to help them. Use as many 'speech-action' sentences as you can.
