L.I	To write an informal letter.		
	I can lay out the top of my letter correctly (address of sender on the right, date on the right, "Dear Sir/Madam" on the left etc)		
	I can use the correct words to address the letter.		
	I can write an introductory paragraph introducing myself, and follow this up with other clear paragraphs.		
	I can create at least 3 questions to ask the person I'm writing to.		
	I can sign off my letter using "Yours faithfully".		
	I can use a range of connectives: until, because, also, but, so, however.
