

VE Day House Party

As today is the 75th anniversary of Victory in Europe day, how about planning a VE Day house party to celebrate this momentous day, the end of war!

We would like you to plan and prepare a party piece about VE Day, for example a song, a rap, a dance, a poem, or a piece of art.

We would like you to then share this with your family during your party.

In addition to this, you may want to design a decoration for a window display for example bunting, a poster, or a banner. You can add this next to our rainbow design.

Good luck! We hope you enjoy your House Party Project. We can't wait to see photos on Seesaw. ☺

P.S. Even though this is a “party”, please don't feel like you need to prepare any food or do anything extra for it. You can share your party piece with your family over dinner or for a wee 5 minutes in the lounge or the garden etc. Keep it very casual.
