We want you to look back at your seven years at Kirkhill and think about all the amazing things you have done during that time. We would like you to write a paragraph for each stage – Primary 1 to Primary 7 – describing all the best parts of that school year. If you didn't start at Kirkhill in P1, just begin writing from where you joined the school. See the task sheet for more information. Remember to look at all the sections - the instructions, examples and success criteria. </p>
