

Lockerbie Lockdown Showcase

We hope that you all had a fantastic time taking part in Lockerbie Lockdown! To mark the end of our virtual residential trip we will be hosting a showcase. This is a chance for you to share your experience of this week and all of the exciting activities you carried out with friends and family. We would like you to present this on Wednesday 24th June when you return to Kirkhill for your final session.

For this task, we would like you to be as creative as possible when sharing your week at Lockerbie Lockdown. Please have a look at the examples below on how you might share your experience with us. You can also come up with your own ideas.

Create an interesting video montage or documentary! You can use apps such as iMovie to capture your experience of Lockerbie Lockdown.

Create an artistic collage!
Put together different images of your experience using any materials of your choice.

Try to include the information below in your presentation:

- The activities you took part in.
- Who took part in the activities with you?
- What was your favourite activity and why?
- Your overall experience of Lockerbie Lockdown.
- Any additional information you want to share with us.

Please upload your presentation to Seesaw.

We look forward to welcoming you back to Kirkhill next week and sharing our experiences.

Create an eye-catching PowerPoint or Sway! You can include pictures, information, slide transitions and videos.

Create a detailed timeline of events! You can include pictures and information about your week.
