<p><b>Literacy</b></p> 	<p><b><u>Spelling</u></b>            Choose <u>two</u> strategies from your active spelling list. Use this strategy to help you learn your spelling</p> <p>Find another 5 words that follow the same rule. Add these to your list and have go at spelling these too!</p>		
<p><b>Numeracy &amp; Mathematics</b></p> 	<p>This year primary 7 will have the responsibility of leading their own learning and setting themselves challenges.</p> <p>Create a numeracy game that can be played in class and used to enhance our learning. You may wish to create a board game, loop cards, challenge cards, dominoes, etc. Consider concepts that you are currently working on in class or areas where you feel we may need a little revision. It could be a game based on fractions, decimals and percentages, multiplication, division, time, shape or data handling to name a few.</p> <p>Bring in your game on Friday for us all to try out!</p>		
<p><b>Art</b></p> 	<p>Using the drawing techniques that you have been learning in class (shading, tone and crosshatching), draw a portrait of someone at home using only a HB pencil.</p>
