

## Spring Holiday Grid

In this grid you will find a range of activities that you can take part in over the Spring Holiday's with your family. Have fun and enjoy!

Get creative and build a den for you and your family using a range of materials in your home. You can do this outdoors or indoors.	Choreograph a dance routine to one of your favourite songs. Teach it to someone at home.	Make up your own game or sport. Think outside of the box and play it with your family. Take photos and videos.	Design your own Easter Egg. This could be on paper or using a real egg. Be creative and showcase the finished item to your family.
Photography! Visit <a href="https://expertphotography.com/">https://expertphotography.com/</a> to do a photography challenge! Or take a photo relating to one of these themes; happiness, sunlight, family, nature, colour, art.	Create your own outdoor or indoor obstacle course using anything you can find. Take photos of it or a video explaining how to set up your course and what you have to do!	Movie day! Choose some of your favourite movies to watch with family and watch some of theirs. What would you rate them out of 10?	Show off your cooking skills by creating a food tutorial video- Joe Wicks style! Use your camera or iMovie to share your recipe with others! Or create your own recipe book using PicCollage.
Get sketching! Find a photograph or picture of a person, place or object and sketch it out.	Read a new book! Set yourself a number of pages/chapters to read every day.	Design and make your own game board. Create a set of rules and play it with your family.	Write a postcard or diary entry to your teacher! Let them know how things are going under lockdown. This can be a photo, voice recording or video on Seesaw.
Have a tech free day! Put down your devices and relax, spend time with your family and play some games.	Take part in the spell your name workout every day. Remember to spell your full name. Get family members to join in for their names too. (See attached photo)	Download the Duolingo app and learn a new language. Can you teach some phrases to your family?	Use GarageBand to create your own music. How many different instruments can you use?
Create your own school on Minecraft. What would you add to it to upgrade it? A swimming pool? A cinema? You can also add pupils to.	Learn origami! Create animals, characters and objects out of paper and teach others how to do it to. Visit <a href="https://www.redtedart.com/easy-origami-for-kids/">https://www.redtedart.com/easy-origami-for-kids/</a> to see some examples.	Call or FaceTime a loved one to catch up with them. Ask them about their day and tell them about the activities you've been doing.	Complete 5 random acts of kindness for family members at home to brighten their day. This could be: making dinner, gardening, hanging out a washing, looking after siblings etc.
