

Photograph

It is really important that you choose an appropriate photo for your page.

It must fit this criteria:

- It needs to be of just you
- It must have a plain background (a wall or the garden etc, not your bedroom)
 - It would be nice to see you smiling
 - You cannot wear a football shirt
- It cannot have a filter on it (from Snapchat or Instagram etc)

Please make sure it fits the full photo box.

Memories

In this section we want you to write about your favourite memories from Kirkhill.

- Funny things that have happened in class or the playground (make sure these are not offensive or rude)
- Special days at school (e.g. dressing up for World Book Day, a Christmas Fayre)
- Favourite show you've been part of

Achievements

Think about all the things you've achieved during your 7 years at primary school:

- Sports trophies or medals
- Passing music exams
- Getting a #PROUD certificate
- Getting involved in charity work

It can anything you've done that you are proud of, both inside and outside of school.

#PROUD

What is the **ONE** thing you are most proud of from all your time at Kirkhill?

Was it:

- Winning a #PROUD certificate
- Standing up in front of the whole school to speak even though you were terrified
- A specific piece of work you've done either in school or at home

Remember, choose **ONE thing only**.

How to fill in your Personal Page Template

Remember this page in the Yearbook will represent you.

Everyone in P7 as well as teachers and parents will see this.

Take your time on it, don't rush, as it is something you will keep forever.

School Trip

Think about all the amazing trips you've been on during your time at Kirkhill.

What has been your favourite?

Maybe it was your first ever trip when you were in Primary 1?

Or maybe something more recent like Scotland Street or Summerlee?

Write a wee comment about it in this box!

Where I See Myself

Where do you see yourself in 20 years? Remember you'll be 31 or 32 years old.

- Will you have gone to university? Where did you study and what subject?
- Will you have bought a house? Where?
 - What job will you have?
 - Will you work in another country?
- Will you have children and how many? Try to be as realistic as you can.
