

P7 Events Writing Task

For your writing today we would like you to think about all the amazing things you've got to experience during Primary 7.

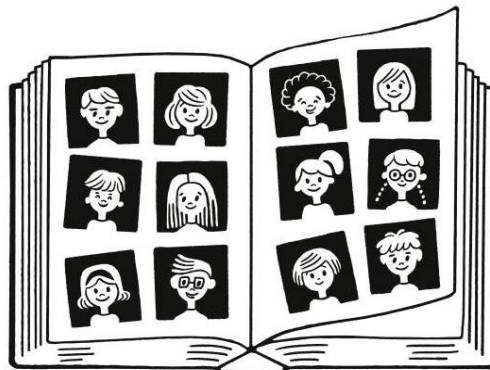

There has been some sort of event, workshop or seminar most weeks on a really wide range of topics.

Your job is to pick **3 events from List A** and **3 events from List B** and write a paragraph about each one.

You should include:

- What did you do?
- What did you learn?
- Did anything exciting happen?
- Are there any funny stories from that event?
- The name of the person who ran the workshop or the group leader at an event

Almost all of the events were attended by the whole year group, however there are a couple that smaller groups went to. We shouldn't need to say this, but obviously if you didn't go to an event please do not write about it.
