

Inspirational Haiku Poem

Create a haiku poem which sends a positive message during lockdown. Have a look at the success criteria, word bank and examples below to help create your poem.

	Have you achieved today's Success Criteria?	Parent	Self
L.I	To write an inspirational haiku poem.		
	I can use only three lines of poetry.		
	I can follow a pattern of syllables for each line: 5-7-5.		
	I can include a positive or inspirational message.		
	I can create an interesting title.		
	I can design an image which relates to my poem.		

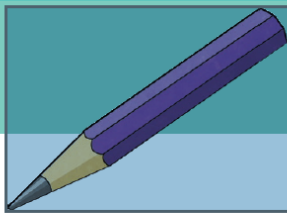

Word Bank

1 **Words with one syllable**
world strange safe face school hope heal

2 **Words with two syllables**
outside inside apart window laughter
rainbow bonding learning lockdown

3 **Words with three syllables**
together important family messages celebrate exercise
relaxing connecting happiness positive

4 **Words with four syllables**
communicate separated isolation creativeness
motivation technology altogether

Examples

Family Time

Outside the window,
the world is silent; inside,
it's full of laughter.

Keeping in Touch

Communicating
in high-tech ways with loved ones
so our world can heal.

Together

Although apart now,
we are in this together;
never forget that.
