

# Primary 6 Daily Plan

## Thursday 23<sup>rd</sup> April 2020

### Numeracy - Money Revision

Look at the three tasks. Think about the numeracy skills you have developed this year and select the challenge which applies these skills.

 Extra Hot!	<b>Best Buy - Comparisons - Exercise 4</b> Use your ability to divide numbers with two decimal places to divide cost by the number of units. Compare unit price to decide the best buy. Select 6 of the first 8 questions to answer, and challenge yourself with question 9.
 Hot!	<b>Adding, Subtracting, Multiplying and Dividing Money - Exercise 2</b> Select four calculations from each question from 1-5. Challenge yourself with 3 of the 4 problem solving questions (6-9).
 Mild	<b>The Value of Money - Exercise 1</b> Select 4 of the 5 questions. Challenge yourself to solve question 4 using an organised list or table.

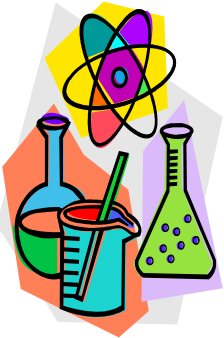

Please see Seesaw for task resources and to respond to activities.

### Reading and Comprehension: The Iron Man - Chapter 3

Please look on Seesaw to locate a copy of the text and all resource materials, and respond to activities.

Task 1: Reread chapter 3 of The Iron Man by Ted Hughes. Choose a challenge from below:

		Discuss the extra hot questions from the chapter 3 Reflective Reading document with someone at home.
		Discuss the hot questions from the chapter 3 Reflective Reading document with someone at home.
		Discuss the mild questions from the chapter 3 Reflective Reading document with someone at home.
<p>Task 2: Look back at all of the things the Iron Man has eaten so far, particularly at the end of chapter 3. Design your own menu for an Iron Man themed restaurant. Make sure you include a good range of delicious options, e.g. 'Bicycle Stew' - remember to include a description of each item on the menu too, e.g. 'tantalisingly tasty and chewy metal, served with a jug of oil and a side of bolts. Consider the layout, presentation and pictures too.</p>		
	<p><u>Science</u>          Topical Science Research - Select one of this month's stories research using the links provided, for recent discoveries, and Britannica Library for other relevant information. Share your findings with family members. You can choose how to deliver the information.</p> <p>Optional Experiment: Make your own lava lamp!</p> <p>Please see Seesaw for task resources and to respond to activities.</p>	
<p>OPTIONAL DAILY TASKS</p> 	<ul style="list-style-type: none"> <li>• BBC Bitesize - Dance Mat Typing - Daily 10/15mins</li> <li>• 9am - P.E. with Joe <a href="http://www.thebodycoach.com/blog/pe-with-joe-1254.html">www.thebodycoach.com/blog/pe-with-joe-1254.html</a></li> <li>• 10am - Glasgow Science Centre live on Twitter, Facebook and Instagram with home experiments and demonstrations. #GSCAtHome</li> <li>• Cosmic Yoga on Youtube</li> <li>• Draw with Rob - Step by step cartoon drawing with Rob Biddulph <a href="http://www.robbiddulph.com/draw-with-rob">www.robbiddulph.com/draw-with-rob</a></li> </ul>
