

# Primary 6 Daily Plan

## Thursday 21<sup>st</sup> May

### Numeracy and ICT

Complete the lessons on Turtle Academy. Once completed you should select the 'Playground' tab to test out the instructions you wrote yesterday in numeracy. Do they work? Can you locate and correct any errors in your code?

When in the 'Playground' area make the width 800 and the height 600 to match your grid from yesterday.

Please see Seesaw for task links, resources and to respond to activities.

### Novels - The Bad Beginning: Chapter 2

Read chapter 2 of 'A Series of Unfortunate Events: The Bad Beginning' by Lemony Snicket.

#### Task 1: Summarising

Write a summary of the chapter. Remember to keep it short and only include key events and information.

#### Task 2: Visualisation

Draw what you think the Count Olaf looks like. Annotate your picture with quotes from the chapter to show how the text has influenced your drawing:

e.g. 'very tall and very thin', 'dressed in a grey suit that had many dark stains on it', 'face was unshaven', and 'rather than two eyebrows, like most human beings have, he had just one long one'.

Please see Seesaw for task resources, including a copy of the text, and to respond to activities.
