Writing - Create a Miniature Book - Two-week task, due Tuesday June 9th

Your writing task is to create a miniature book and you can be as creative as you like. You can make it fact or fiction, you can retell a famous story in your own words, make up your own story, tell a story in scots language... use your imagination! Don't forget your book needs a front cover, illustrations and blurb. This task is over two full weeks so you can take your time planning and creating your story book.

Follow this link to find out about the history of miniature books and how to make one of your own:
