

# Primary 6 Daily Plan

## Wednesday 3<sup>rd</sup> June

### Numeracy

• Select one or two of the activities from the grid on Seesaw, which you did not complete last month, to improve your mental recall of multiplication tables from 1-12.

• Visit [www.educationcity.com](http://www.educationcity.com) > Log in > Search Content > Type 'PlayLive Multiplication' > Select one of the second level PlayLive games. Will you challenge yourself with all the tables from 1-12?

**\*\*Spin the wheel using the link on the activity to choose which way you should show what you have been doing today.\*\***

Please see Seesaw for task resources and to respond to activities.

### Writing - Create a Miniature Book - Continue from last week, due Tuesday June 9<sup>th</sup>

Your writing task is to create a miniature book and you can be as creative as you like. You can make it fact or fiction, you can retell a famous story in your own words, make up your own story, tell a story in scots language... use your imagination! Don't forget your book needs a front cover, illustrations and blurb. This task is over two full weeks so you can take your time planning and creating your story book.

Follow this link to find out about the history of miniature books and how to make one of your own:

<https://www.bl.uk/childrens-books/activities/make-a-miniature-book>

Follow the task instructions carefully and don't forget to share your finished books with us by Tuesday 9<sup>th</sup> of June!

## R.M.E.

Complete the R.M.E. activity on Seesaw titled 'Is it OK?' Different religions have different beliefs; everyone has their own beliefs. Your task today is to read the statements on the template and consider what you believe and what you think is ok. Sometimes discussing a topic with someone else helps to be clear about what you think and what you believe. Read each statement in turn and record your opinion at the end - yes/ not sure/ no

## Health and Wellbeing

The school-wide health and wellbeing activity will be set today on Seesaw. This is a weekly task so you can post a comment, picture or clip, if you want to share your work, at any point through the week.

## OPTIONAL DAILY TASKS

- BBC Bitesize - Dance Mat Typing - Daily 10/15mins
- BBC Bitesize now has daily programmes for different age groups, previous days programmes are available on iplayer, and daily lessons online.
