Criteria and Guidance for entries

This is a creative competition, use your imagination and be as creative as you can.

This year's **theme** for the Competition is 'Euro 2020'.

Scotland is a vibrant country with a past made up of people from all over the world. We have a truly rich heritage. We want to get the message out to the rest of Europe that we are a country that celebrates diversity and values individuals no matter their backgrounds. Influences from all over the world have created the Scotland we live in today.

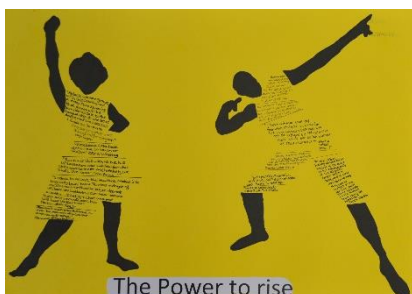

It is **not** mandatory to follow this theme. We can't wait to see your creative efforts to challenge racism and celebrate diversity.

Show Racism the Red Card have a range of educational packs and films covering anti-racism, Islamophobia, racism towards asylum seekers and refugees, and sectarianism.

More information on available educational DVDs can be accessed via:
