

P5 Homework

Monday 7th October 2019
Due Friday 11th October 2019

Curriculum Area	Activity						
Literacy 	<p><u>Active Spelling:</u></p> <p>In class you have chosen your spelling words level from the 'Chilli Challenge'. You have to find 5 additional words at that level. You may use the internet or a dictionary to help you. The spelling rule will change every week.</p> <p>In addition to this, we would like you to practise this rule by choosing to complete two tasks found on the 'Spelling Menu'. Please choose different ones from last week. Please record your words in your Literacy Homework Jotter and be prepared to share these on Friday. All other tasks do not need to be recorded in the jotter as these should be active and enjoyable and will not be checked over by the teacher.</p> <div><h2>double consonants</h2><p>Choose your Chilli Challenge</p><table><tr><td>Extra Hot! </td><td><div>1. grubbiness</div><div>2. pineapple</div><div>3. millennium</div><div>4. silhouette</div><div>5. assignment</div></td></tr><tr><td>Hot! </td><td><div>1. robbery</div><div>2. slippery</div><div>3. innocent</div><div>4. attached</div><div>5. password</div></td></tr><tr><td>Mild </td><td><div>1. tennis</div><div>2. rabbit</div><div>3. happy</div><div>4. dinner</div><div>5. kitten</div></td></tr></table></div>	Extra Hot! 	<div>1. grubbiness</div> <div>2. pineapple</div> <div>3. millennium</div> <div>4. silhouette</div> <div>5. assignment</div>	Hot! 	<div>1. robbery</div> <div>2. slippery</div> <div>3. innocent</div> <div>4. attached</div> <div>5. password</div>	Mild 	<div>1. tennis</div> <div>2. rabbit</div> <div>3. happy</div> <div>4. dinner</div> <div>5. kitten</div>
Extra Hot! 	<div>1. grubbiness</div> <div>2. pineapple</div> <div>3. millennium</div> <div>4. silhouette</div> <div>5. assignment</div>						
Hot! 	<div>1. robbery</div> <div>2. slippery</div> <div>3. innocent</div> <div>4. attached</div> <div>5. password</div>						
Mild 	<div>1. tennis</div> <div>2. rabbit</div> <div>3. happy</div> <div>4. dinner</div> <div>5. kitten</div>						
Numeracy	<p>In Numeracy we have been focusing on division. At the simplest level we have been dividing 2 digit numbers by 2, 3, 4 and 5.</p> <p>The next level up, we have been dividing 2 digit numbers by 6, 7, 8 and 9.</p> <p>At the hardest level, we have been dividing 3 digit numbers by 6, 7, 8 and 9.</p> <p>On the blog, there will be various examples of these so please choose your level.</p> <p>Many children have found this challenging as they don't know their multiplication tables. Please continue to practise them on a weekly basis.</p>
