Design Technology

L.I. We are learning to use our design skills to construct models.

Choose one of the design tasks below to complete with a family member. Try both if you are up to the challenge!

1. Use construction materials to make a model of a Bridge that crosses the River Clyde (e.g. the Erskine Bridge, the squinty bridge etc.).
2. Use folded paper or card to make a bridge that spans a gap. How much weight will it be able to hold?

Take photos of your designs and share them with us on SeeSaw or Twitter @KirkillPS
