

Music

Through music, learners have rich opportunities to be creative and to experience inspiration and enjoyment. There is a piece of music to suit every mood and playing the right piece of music can get everybody up and moving or - provide some quiet reflection and relaxation.

Here are three different pieces of music. As you listen, close your eyes and think about the following:

- How does this make your body feel? What do you feel like doing as you listen? (E.g. sail across the ocean, fly over the clouds!)
- How does this make your mind feel? E.g. happy, sad, angry, calm.
- When would be a good time of day to listen to this music?
- What kinds of things could you do while you listen to this music? E.g. tidy up, get ready in the morning.
- Do you like or dislike this piece of music? Why?
