

Curricular Area	Tasks	Health and wellbeing
 <div data-bbox="233 436 437 516"> Numeracy and Maths </div>	<p>Task 1 – Lead your own learning. Log in to Sumdog or Education City and play games or complete activities of your choice for around 15 minutes.</p> <p>Task 2 – Money Chilli Challenge Tasks</p>	<p>Health and wellbeing</p> <p>Log in at 9am for Joe Wicks the body coach or Super Movers.</p> <p>https://www.youtube.com/thebodycoach1 www.bbc.co.uk/supermovers</p>
 <div data-bbox="233 794 415 873"> Literacy and English </div>	<p>Task 1 Independent reading activity. This will be the same all week, choose a different activity each day based on a book of your choice. Try to vary the types of activity you will do.</p> <p>Task 2 – Comprehension Chilli Challenge Tasks.</p> <p>Again this week you will use the same passage from Monday – Wednesday with different questions.</p> <p>Task 3 – For more reading practice log into read theory and complete some reading challenges. Remember the teachers can see how you get on. Can you get more than 80% per reading task?</p> <p>5a https://readtheory.org/app/sign-up/create-account/student?classcode=OEJSY6L1 5b https://readtheory.org/app/sign-up/create-account/student?classcode=LORW6SQS 5c https://readtheory.org/app/sign-up/create-account/student?classcode=65311PES</p>	<p>Spelling/phonics revision</p> <p>Rule: igh</p> <p>Words: frightening delightful watertight brightening houselight mighty tighten brightly flight nightie night sight high right light</p>
 <div data-bbox="179 1286 505 1318"> Other Curricular Areas </div>	<p>Science</p> <p>Today is the Great Science Share where you have an opportunity to think about questions and share scientific knowledge. For today's task you should think about a scientific question that interests you. This can be on any topic for example, space, the rainforest, under the sea, animals, chemical reactions... the list is endless.</p> <p>Once you have chosen what you would like to find out about you should do some research to answer your question then create a poster sharing what you have learned on seesaw. You could also check in on the Great Science Share page and talk about your learning there too.</p>	<p>Skills Development</p> <p>Timetabling - Each of us have different things to do each day. Can you make a timetable for your household for the following day?</p>
