In Primary 3 in Kirkhill Primary skills, knowledge and understanding are developed through a range of teaching and learning opportunities. These include direct teaching, targeted group time and tailored learning areas in the classroom and outdoor environment.

UNCRC Articles

Article 28

You have the right to a good quality education. You should be encouraged to go to school to the highest level you can.

Article 29

Your education should help you use and develop your **talents and abilities**. It should also help you learn to live peacefully, protect the environment and respect other people.

Skills for learning, life and work

- Budgeting and affordability skills.
- Organisational skills through running of a business
- Leadership skills
- self awareness, optimism and having an open mindset

Ethos and Life of the School

- Raising money for the school fund to hopefully buy a Sumdog subscription for every child in Kirkhill
- Class roles and responsibilities
- Continuing to have exceptional manners and carrying out random acts of kindness throughout the school.

How you can help at and opportunities for personal achievement

- Continue to support your child with reading with them regularly, focusing on trying to add expression.
- Continue to practise maths facts – particularly rounding to the nearest 10 and times tables facts.
- Read our class blog for homework and updates about our learning.
