

Primary 4b	Home Learning - Thursday 26 th March
Curricular Area	Tasks
 <p data-bbox="181 491 495 619">Numeracy and Maths</p>	<p data-bbox="1346 400 1435 440">Skill</p> <p data-bbox="683 520 2101 624">Mental-Practise adding multiples of 10 and near multiples of 10 (58+40, 27+19, 45+31) etc</p> <p data-bbox="958 639 1823 683">Written- Complete the rounding worksheet.</p> <p data-bbox="698 699 2085 742">Mild- Sections A & B Hot- Sections A, B & C and Extra Hot- Sections A,B,C & D</p> <p data-bbox="815 751 1962 794">Play the game Rocket Rounding on Topmarks website/App.</p>
 <p data-bbox="170 1018 483 1145">Literacy and English</p>	<p data-bbox="1099 935 1688 978">Skill - Reading comprehension</p> <p data-bbox="618 1046 2085 1150">Read the passage about Spring! Fill in the gaps, choosing the best word or words from the list of possible answers.</p> <p data-bbox="618 1222 1823 1265">Handwriting- Practise writing descenders (letters with tails)</p> <p data-bbox="618 1286 2136 1390">Practise writing any friend's names which have descenders in them i.e. Craig, Holly, Gary etc</p> <p data-bbox="618 1406 1980 1509">Write 4 silly sentences including your friends' names, using joined up handwriting.</p>

PE- Make up a dance routine to your favourite song. Go on to YouTube or Just Dance for inspiration. Would be fun to do this with a brother/sister or adult.

Science-Water Cycle-

Using BBC Bitesize- What is the Water Cycle? Watch the little video and learn the Water Cycle Song from YouTube

Have fun with the Condensation experiment attached.
