Skill - Writing - Newspaper Report

Write your own newspaper report about the coronavirus. Have a look at the BBC bitesize link to refresh your memory of newspaper articles and use the Newsround link to find out more information about the coronavirus. You can use 1 of the templates provided or layout it out your own way.

Success criteria:

- Short and snappy headline
- Include the 5 W's; where, when, who, what, why
- Organise your ideas into paragraphs:
  - 1) What is the virus? What are the symptoms? Where, when and how did it start?
  - 2) Who is it affecting? What are people doing to stay safe (or not)?
  - 3) What could happen in the future?
- A relevant picture

### Outdoor Learning - Leaf Identification

During your daily exercise or in your garden (if you have one) collect some different leaves and have a go at identifying what trees they come from using the leaf identification sheet

You could also create some leaf printing artwork by **thinly** painting one side of the leaves and pressing them onto a sheet of paper.

### Health & Wellbeing

Choose 1 or more timestable you want to practice and join in with the supermovers video.

### Skills to develop this week

Help with the washing. Ask an adult which activities they would like you to help with. These could include folding the towels, pairing up the socks or taking the washing to the appropriate rooms to be put away.
