A  
Caring  
Community

How do people show that they care?

# Who cares for you in your community?

Who or what do YOU care for?

The background of the slide is a dense pattern of stylized, smiling faces in various shades of orange and brown. The faces are simple, with large eyes and curved mouths, creating a warm and positive atmosphere.

Should you care about people in your community who are not friends or family?

Why?

People sometimes set up charities to collect money and care for other people who are in need.

Have you ever given any of your pocket money to a charity?

What could you do to make your community more caring?

Giving money isn't the only way of caring for

Can you think of any other ways that children can help care for their community?
