Subject	Task
Maths 	Mental Maths Practise your tables and division to keep your mental maths skills sharp! You could try some of the games at the following link – https://www.topmarks.co.uk/Search.aspx?Subject=16 Or try some of these games with a pack of playing cards – Addition, Subtraction or Multiplication Game for up to 4 players. Deal out whole pack. Children to turn over 2 cards at a time. Either add, subtract or times them together. Playing highest or lowest wins. If you win you keep the cards and put them to the bottom of your pack. (To make this harder they could use 3 cards and add them together or multiply the first two then multiply the answer by the third card.) Addition, Subtraction or Multiplication War: Played in 2s. Deal out pack. Children to turn over 1 card each either add or times cards together. First to call out answer wins.
Language 	Spelling – Scroll down to find your Chilli Challenge words for this week – In class you have chosen your spelling words level from the ‘Chilli Challenge’. You have to find 5 additional words at that level. You may use the internet or a dictionary to help you. The spelling rule or pattern will change every week. The dictation on Friday will use some of the attached words. In addition to this, we would like you to practise this rule by choosing to complete two tasks found on the ‘Spelling Strategies’ sheet. Please choose different ones each week. Please record your words in your Literacy Homework Jotter and upload them to Seesaw for your teacher to see. All other tasks do not need to be recorded in the jotter as these should be active and enjoyable.
