	 Extra Mental Maths (optional) Practise adding small numbers and counting on without going across a 10. E.g. 36+2; 51+3 etc. Practise multiplying by 2 and skip counting in 2s. You could collect small objects in your house and put them in groups of 2 (e.g. 2 sets of 5; 2 groups of 7 - how many altogether?). Practise missing number calculations - E.g. 2 X = 12. If you are confident with this, you could also practise dividing by 2. 					
Language	Spelling - Look in your Literacy Homework Jotter for the list of words we have been finding tricky this week. Use the Look, Say, Study, Write Check strategy from your P4 Spelling Strategies sheet and write your words twice in your Literacy Homework Jotter.					
Other	Talking and Listening Homework - Favourite books- I would like you to share some of your favourite reads with the class. Choose a book, which you have read recently to share with the class. Discuss with an adult - Why you have chosen it? Have you read books by the same author? Is it funny or scary? Do you have a favourite character? Bring in your book on Friday. We will discuss our ideas and opinions in class on Friday so be ready to report back.
