<b>Maths</b> 	<p><b>Calculation Practice Sheets</b></p> <p>Some of the children have said that they would like to practise skills such as carrying and exchanging as part of their homework, so we have made up some sheets to help them do that. If anything seems a bit tricky when your child tries this at home, just put a wee note on the sheet to let us know. (Click link on main blog post to download the correct sheet for your child).</p> <p><b>Mental Maths (optional)</b></p> <ul style="list-style-type: none"> <li>• Practise adding across ten, twenty or another tens number to a TU number (e.g. 36+10; 25+20; 48+30).</li> <li>• Practise multiplying and dividing by 2, 3, 4, 5 and 10 and skip counting with these tables. Practise missing number calculations – E.g. <math>4 \times \underline{\quad} = 12</math>. If you are confident with this, you could also practise multiplying and dividing by 6, 7 and 8.</li> </ul>
<b>Language</b> 	<p>In class you have chosen your spelling words level from the 'Chilli Challenge'. You have to find 5 additional words at that level. You may use the internet or a dictionary to help you. The spelling rule will change every week.</p> <p><b>This week's spelling rule: words that end with -le</b></p> <p>In addition to this, we would like you to practise this rule by choosing to complete two tasks found on the 'Spelling Strategies' sheet. Please choose different ones from last week. Please record your words in your Literacy Homework Jotter. All other tasks do not need to be recorded in the jotter as these should be active and enjoyable and will not be checked over by the teacher.</p> <p><b>You might want to test yourself using the words to choose a suitable level.</b></p> <p><b>Extra Spelling task (Optional) - go to <a href="https://www.spellingcity.com/MissCharnley/">https://www.spellingcity.com/MissCharnley/</a></b></p> <ul style="list-style-type: none"> <li>• Scroll down until you find the correct sound</li> <li>• Try some games or test yourself on this week's words.</li> </ul>
