Week Beginning Monday 17th February
Please return on Friday 21st February

Subject	Task
Maths 	<p>This week we would like the children to practise number bonds and multiplication to help them recall number facts with increasing speed and confidence. In class we often enjoy learning these things by playing games and singing songs so we have included a game link and a song link on this week's main Homework post.</p>
Language 	<p>In class you have chosen your spelling words level from the 'Chilli Challenge'. This week we would like you to use each of your spelling words in a sentence (i.e. five words = five sentences). Write your sentences in your Literacy Homework jotter.</p> <p>(See next page for spelling words.)</p> <p>In addition to this, we would like you to practise your words by choosing to complete at least one of the active tasks found on the 'Spelling Strategies' sheet. You do not have to do this task in your jotter.</p> <p>Extra Spelling task (Optional) - go to https://www.spellingcity.com/MissCharnley/ Try some games to practise different spelling patterns.</p> <p>BFGs - If you have returned your last reading book your new book should be in your schoolbag. Read a little bit every night to somebody. (It's OK if they read little bits to you too!)</p>
