

Challenge: Use the number selection to make the target number

- You can only use each number once
- You don't have to use every number
- You can use any of the four operations (add, subtract, multiply, divide)
- Select your own level of challenge, do more than 1 if you like!
- All countdown challenges below are possible

Extra Hot!

Target Number
373

$8 + 7 = 15$
 $15 \times 25 = 375$
 $375 - 6 = 369$
 $369 + 4 = 373$

Number Selection
75 25 8 7 6 4

Hot!

Target Number
413

$1 + 6 = 7$
 $10 + 50 = 60$
 $60 \times 7 = 420$
 $420 - 7 = 413$

Number Selection
50 10 7 6 4 1

Mild!

Target Number
50

$3 + 2 = 5$
 $10 \times 5 = 50$

Number Selection
25 10 9 7 3 2
