

Each  represents 5 buses.

 represents **between 10 and 15** buses.

Bus trips to Forest Park

Sun	
Mon	
Tue	
Wed	
Thu	
Fri	
Sat	

- How many buses visited Forest Park on
(a) Wednesday (b) Saturday (c) Tuesday?
- On which day did **between 25 and 30** buses visit?
- On which days did **fewer than 10** buses visit?
- On which days did **about the same** number of buses visit Forest Park?
- Why do you think Saturday and Sunday were busier days?
