

Out of the Ark – Just Sing!

Out of the Ark produce singing resources and songs for schools across the UK and they have produced a special @Home resource to help families enjoy songs at home.

Their website has a huge range of different songs and activities and I have chosen this one as it is cheery and you can have a go at making up your own lyrics.

The song lyrics are on screen and as you watch, and listen, look at the last line of each verse e.g:

- Howdy-doodly/ Toodle-oo
- Hallelujah/ Wackadoo
- Humpty Dumpty/ Kangaroo;

There are four syllables in the first phrase (Hump-ty Dump-ty) and three in the second (Kan-ga-roo).

Also the second word or phrase always ends with an 'oo' rhyme.

Could you try making up some of your own last lines and singing them?

If you are feeling like more of a challenge, could you try creating a whole verse of your own too?

Enjoy having a go and have fun!

The video for the song can be found by clicking this link:
