You might find it easiest to try a little bit, pause the video and practise until you've mastered that bit, then move on to the next bit. Remember, it's not just about finishing the dance as quickly as possible - it's about seeing how much you can improve your performance along the way. Have fun!</p> <p>Click here to watch the dancers perform the first dance https://www.youtube.com/watch?v=oxRyUjCu9Gs</p> <p>Click here for the first lesson https://www.youtube.com/watch?v=9ca03EO-NMI&list=RDgmohgMYIeQ&index=4</p> <p>Click here for the second lesson https://www.youtube.com/watch?v=Qjblhvzvjsk</p>

Other Curricular Areas	Last Week Bingo Open the Last Week Bingo PDF to see some of the activities we normally do in the last week of term. How many of these can you do with the people in your household or in small gatherings? Can you think of more ideas that are not on the sheet? You have all week for this activity. Looking forward to seeing lots of pictures of you having fun and reflecting on your year.
Skills to develop this week	Do some decluttering! Sort through your old books and toys and decide which ones you don't need anymore. Ask your adult for some boxes to put them in so they can be safely stored until they can be taken away.
