Spring Weather	
Spring is the	when the whole world up. The
cold days of winter turn into the _	days of spring. In March,
	the mountains. In April,
	of May brings new growth
	showers bring May
Spring Plants	
One of the earliest signs of spring	g is the new growing on the trees
and new emerging fi	rom the ground. The blossom tree
is one of the first to bloom with b	olossoms of and
Spring is also the season of	and daffodils. In the,
farmers sow their	into the ground and hope for good
With luck, they w	ill have good to harvest in fall.
as the calle forest	ng Animals ne weather gets warm, and come out of their long winter sleep d Many animals in the st give to babies. Birds from the south. They s to lay in. When the eggs , the mother bird busies herself ng to feed her young.
