

P3a - Personal Project

Monday 20th – Thursday 7th May

Over the next three weeks we would like you to choose a topic that really interests you, learn lots about it and then share your learning with us on Thursday 7th May. This is a rough guide to follow.

Date	Activity
Monday 20 th	<p>Think about which topic you want to learn about. It can be anything from Vikings, Dinosaurs, Racing Cars, Horses, a country, a hero of yours etc etc just as long as it interests you! Discuss your ideas with someone at home.</p> <p>Create a topic cover page. The title of your topic should be in big bold letters. Add some illustrations too.</p>
Thursday 23 rd	<p>Now create a list of 'big questions'. What do you want to find out? Write them out neatly in either a list or mind map style.</p>
Monday 27 th Thursday 30 th	<p>Research week! Now take each question in turn and research to find out the answers. Record your findings in a way that works for you.</p>
Monday 4 th	<p>ICT – create a way of sharing your learning using your ICT skills. You could make a PowerPoint, a news report style video, a stop-motion video (Remember Peggy's polar bear one?), an interactive newspaper article with links to click on or if you have any other ideas we are more than happy for you to be as creative as you like!</p>
Thursday 7 th	<p>Check over your work and edit, once you are happy submit! Please share on SeeSaw, we can't wait to see what you come up with!</p>
