

# Last week Bingo

Look at the activities below. How many of these last week of school activities can you recreate at home or in small gatherings with other households? Looking forward to seeing lots of pictures of you having fun.

Play Rounders.	Tell jokes.	Have a talent show.	Host a quiz.
Draw on a whiteboard.	Play a board game.	Go outside and hula-hoop.	Play a game like hangman.
Go outside and play a ball game.	Discuss your favourite piece of work this year.	Make a card for someone to thank them.	Pretend you are the teacher and set some work for your pupils.
Draw a picture of your whole class.	List all the things you have enjoyed this year.	Draw a picture for your P3 teacher (and post it on Seesaw).	Draw a picture for your P4 teacher (you could send it via Twitter).
Make up a scavenger hunt and challenge other members of your household to complete it.	Go outside and spot five different kinds of birds (or insects or minibeasts).	Tidy the house (since you can't help the teacher tidy the classroom).	Play with a musical instrument (or make your own and play with it).
Sometimes we have a party at the end of term. Try some of the party related activities on the row below.			
Put on some music and show off your best dance moves.	Make a snack (for yourself and someone else).	Make decorations.	Play a party game.
