

Hello Boys and Girls,

I hope you don't mind that I'm typing instead of handwriting your letter, my arthritis is a bit bad today and I'm struggling to hold a pen. It has been just lovely reading all of your letters, I have loved seeing some really beautiful handwriting and great punctuation too! Granda and I have really missed seeing your happy faces every day so the letters really made us smile.

We have been very busy about our wee house, I say we but really I mean Granda. He has a very big list of jobs to get through including weeding the garden, painting our fence and fixing the leak under our sink. I have been catching up on my soaps and beauty sleep!

Now, let me try to answer some of your questions... Cameron, I have been doing quite a bit of baking. I have made lots of scones and pancakes. Yummy! Granda has been doing a lot of gardening so that is good exercise for him. I have been trying to do some of Joe Wicks' senior workouts. Harry, we love being puppets in your class and we are as real as you want us to be 😊 Zia, we are trying to enjoy Lockdown as much as we can, it has been nice to rest a bit and get jobs around the house done. Harris, you can tell Heather we said hello back 😊 Hana, I am so sorry you lost your tennis ball, I hope you have some more. Isabella, thanks for asking what we have been doing. I hope this letter answers your question. Riley we are so proud of all the work you and your classmates are doing. Your hamster is lucky to have you as an owner, I'm sure you're taking great care of it.

Missing you all lots, keep watching for some more daily mischief!

Love Granny and Granda xxx
