 <h2>Other Curricular Areas</h2>	<p>Personal Project Over the next few weeks I would like you to complete a personal project. You can do this about anything you like. Have a think about something you are really interested in and would like to know more about, for example David Walliams, dolphins, the rainforest, China.... The choice is yours! Make sure you don't pick something that you already know a lot about as this is going to be a research task 😊 For today, I would like you to have a good think of the subject for your project and then create a 'front page' for it as if we were doing this in our topic jotter. If you have your topic jotter at home then you can do it in there. I am so excited to find out your choices boys and girls!</p>
