adapt to share their territories with other animals and people.

### Grooming

Both wild and domestic cats are extremely clean creatures. Regular grooming keeps a cat's coat glossy and healthy by getting rid of dirt, loose hair, and dead skin. Grooming also allows a cat to spread its scent all around its body. Usually grooming is the sign of a relaxed cat, but sometimes it shows a cat is nervous.

### Choosing a cat

A cat may live for more than 15 years, and it needs a caring home for life. Once you have decided you can do
