

Curricular Area	Tasks
 <h2>Numeracy and Maths</h2>	<p><u>SYMMETRY WEEK</u></p> <p>Complete the symmetry worksheet.</p>
 <h2>Literacy and English</h2>	<p>Writing</p> <p>Did you know it is National Smile Month? I would like you to think of a time that you were really happy. Can you tell me all about it? It might have been a special day like a birthday. Maybe it was a holiday that you really enjoyed. You might have performed really well doing a hobby like dancing or football. I will be looking for:</p> <ul style="list-style-type: none"> - Lots of information. - Emotional language, I want to really understand how you felt. - Wow words, perfect punctuation and exciting openers. <p>Good luck! Can't wait to read them.</p>
 <h2>Other Curricular Areas</h2>	<p>Personal Project</p> <p>I would like you to start thinking about how you are going to share your findings from your personal project. You have the option to create a PowerPoint, a poster or even a short video telling us what you discovered. You might have another idea and that's great. Remember to tell us what you were researching, why you chose this, what you know already and what new things you learned plus anything else that's relevant. Start preparing for this today and you will have more time next week also.</p>

Health and wellbeing
<p>See if there are any tasks on the owl grid that you didn't get a chance to complete but would like to. This will be the last week before we move on to other books.</p>

Spelling/phonics revision
<p>Rule: ve</p> <p>Words: have, live, believe, starve, give, leave, retrieve, relieve</p>

Skills Development
<p>This week take responsibility for organising the recycling bins in your house, make sure everyone is recycling what they can! 😊</p>
