

Curricular Area	Tasks
 <h2 data-bbox="197 352 506 560">Numeracy and Maths</h2>	<p><b><u>PROBLEM SOLVING</u></b>            Please complete the problem solving sheet.            Have a look at this site, there are some good maths games you could try 😊</p> <p><a href="https://www.ictgames.com/mobilePage/index.html">https://www.ictgames.com/mobilePage/index.html</a></p>
 <h2 data-bbox="181 715 488 975">Literacy and English</h2>	<p><b><u>ACTIVE PHONICS</u></b>            More dice fun! Assign a colour to each number. For example, 1=red, 2=blue... Choose a word, roll the dice then write it in whatever colour you get.</p> <p><b><u>READING</u></b>            Using your book from yesterday, try to think of a different ending to the story. Could the ending have been happier? Maybe it would end with a cliffhanger? You can write down your ending or discuss it with someone at home.</p>
 <h2 data-bbox="170 1134 528 1270">Other Curricular Areas</h2>	<p><b><u>VIRTUAL TRIPS</u></b>            Today we are travelling to the International Space Station! Here are the links to some videos showing us what life is like up there:  <a href="https://www.nasa.gov/mission_pages/station/main/suni_iss_tour.html">https://www.nasa.gov/mission_pages/station/main/suni_iss_tour.html</a></p> <p>Can you write down three questions (or more!) that you would ask the astronauts?</p>

### Health and wellbeing

Have a look at this British Sign language video, it's our old friend Jack Hartmann 😊
