Primary 3b.2 Daily Plan

Date: Wednesday 24th June 2020

Curricular Area	Tasks
	Choose a few different movies and conduct a family survey to see which one gets the most votes. Once your film has been decided can you find out how long it lasts for? Can you work out a start and finishing time?
	Design a poster to advertise your movie. Include the name of the film, where you are going to watch it and what time it will start. You might want to include a short summary detailing what the film is about. Are you having a dress code? Should people dress in fancy, party clothes or keep comfy in pyjamas?!
	With an adult, prepare some tasty treats for eating while you watch your film. You might want to bake something delicious or maybe make up a little snack tray. Enjoy 😊
