 <div data-bbox="181 775 483 908">Literacy and English</div>	<p>Commas in lists</p> <p>Earlier in the session we learned how to use commas in lists. Use this link to help you revise and consolidate your learning. Watch the videos and try the activities.</p> <p>https://www.bbc.co.uk/bitesize/articles/zjs8wtv</p>
 <div data-bbox="181 1187 528 1319">Make your own edible slime!</div>	<p>Last week, my children made some edible slime following a recipe my daughter was given. It was great fun and if your parent allows you, you could get the ingredients to make it. You need marshmallows and icing sugar. We added some sprinkles, but that's optional.</p> <p>I will post a picture of our slime and the method you would use if you choose to make it. Alternatively, you could research other ways to make slime and let me know. I'm sure my children would love to try your ideas too.</p>

Health and wellbeing

Spelling review week

Continue to use the high frequency word checklist today as per the instructions from Monday.

Skills Development

Do some decluttering! Sort through your old books and toys and decide which ones you don't need anymore. Ask your adult for some boxes to put them in so they can be safely stored until they can be taken away.
