

# Bar Graphs

Can you read the bar graph below and answer the questions? Be careful when reading the scale on the left. What are the numbers jumping up in?

- a) How many Get Well cards were sold?
- b) How many Thank You cards were sold?
- c) How many more Christmas cards were sold than Birthday cards?
- d) How many fewer Thank You cards were sold than Christmas cards?
- e) How many cards were sold altogether?
